

Join the CAREER JUMP START PROGRAM

2022 has completely redefined how we approach our careers. From quiet quitting to unionizing, employees have moved, quit, and changed roles at unprecedented rates over the last year.

But what about those of us who are kind of stuck? Those of us who are a bit fearful to jump out there and make a change in light of uncertainty? What if you've had it with your toxic workplace, but are using the "better to stay with the drama we know" mentality to stay put? What if you just don't know exactly how to move on, up, or out?

If ANY of these points resonate with you, then the **Career Jump Start Program** is exactly what you need.

Join the next group coaching cohorts starting in **May 2023** to give you the motivation, discipline, and specific guidance you need to achieve your career goals in 2023. This is a **5 week program** that allows you the time you need to think it all through but gives you the specifics you need to really take action!

Each week you'll get specifics on these key career aspects, which are normally priced as an individual session:

- **Self Awareness Lead to Success**- each participant receives an *exclusive Take Flight with DISC Profile Assessment* with Live debrief and feedback (*worth \$99*)
- **Resume Updates & LinkedIn Profile** (*worth \$275*)
- **Telling Your Story**: Develop Compelling Career Stories for Interviewing (*worth \$175*)
- **Overall career consultation** and general feedback (*worth \$175 consultation fee*)

What's normally individually priced for a total of over \$700, is all a part of your group coaching directly with me for only \$297!

At the completion of the program you'll have:

- A disciplined approach to getting to the career you love
- Clear tactics, strategies and actions to take for your resume, interviewing, and connecting with those who can assist you in your career search
- Resources others won't read and tactics others won't do
- Learn where organizations *actually* start their candidate search
- A stronger network that you'll have for more than just "getting a job"
- A friend! Everyone will have an accountability partner to keep them on track.

Space is limited for each cohort and these groups fill up quickly.

- Cohort #4 – May 2 – Meets Tuesday's 7pm EST.

We'll meet each week to discuss the previous week's assignments, your results, how you held each other accountable and what's next for you on your journey to a career you love.

Cost: TODAY is \$297 for what individual sessions would normally cost you over \$700!
